This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Plans an open house / school-tour experience — flow and stations (academics, labs, safety, activities, interaction with teachers/principal), presentation, and follow-up — so visiting parents leave impressed and ready to enrol. Use it to design admission events. For conversion follow-through use the Enquiry-to-Admission Conversion tool.

Purpose of this tool & output

Run events that convert visiting parents

How the output is used

Use the plan to run open houses and school tours that convert visiting parents.

Important cautions

Parents decide on feel — do teachers and children seem happy, is it safe, is it caring; stage an honest experience that showcases real strengths, and always follow up.
