

# Parent Grievance Handling

School Administration

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

## Background

Builds a parent grievance-handling process — channels and logging, a fair investigation and response with timelines, escalation, and using complaints to improve — so parent issues are resolved before they escalate to authorities or social media. Use it to handle complaints. For statutory committees use the Grievance Redressal Mechanism tool.

## Purpose of this tool & output

Resolve parent complaints fairly and fast

## How the output is used

Use the tool to resolve parent complaints fairly and fast.

## Important cautions

Handle complaints fast and fairly to prevent escalation; route any child-safety/POCSO complaint to the proper protective process immediately, and be fair to staff too (due process).
