

Security & Evacuation Drill Plan

Security & Facility Management

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a drill plan for a site — scenario, objectives, roles, a step-by-step drill script and an evaluation format — to test and improve security and evacuation readiness. Describe the site below.

Purpose of this tool & output

Practise the response before it is real

How the output is used

Use it to practise the response before it is real — a security and evacuation drill plan across scenario, roles and review.

Important cautions

AI-generated plan; conduct drills safely and coordinate with the client and fire warden.
