

Security Guard Training Plan

Security & Facility Management

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a training plan for security guards — induction, core skills, site-specific and refresher modules, and assessment — aligned to PSARA training norms and your service standards. Describe your context below.

Purpose of this tool & output

Train guards to PSARA and site standards

How the output is used

Use it to train guards to PSARA and site standards — a guard training plan across induction, site-specific and refresher training.

Important cautions

AI-generated plan; align with PSARA training requirements and your accredited training partner.
