Document type: Contract / agreement · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a manpower supply agreement — supplying contract staff (housekeeping, helpers, technicians) to a client — covering scope, rates, statutory and CLRA compliance, and responsibilities. Fill in the terms below.

Purpose of this tool & output

Supply contract manpower compliantly

How the output is used

Use the draft to supply contract manpower compliantly — scope, CLRA responsibility, wages, PF/ESI and liability — reviewed by a lawyer.

Who receives it

The agreement is between the manpower provider and the principal employer; each keeps a signed copy.

Fees & charges

Stamp duty per your state stamp act where applicable; the CLRA-responsibility, wage and statutory terms are the key content.

Who should vet it

A labour lawyer, to check the CLRA-responsibility, wage-compliance and liability clauses before signing.

Important cautions

AI-generated draft; contract-labour compliance is critical - have a lawyer review before signing.
