

Security / FM Org Structure

Security & Facility Management

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get an organisation and role structure for a security/FM company — operations and field supervision, HR/compliance, sales, and control room — with responsibilities and supervisor-to-guard ratios, sized to your manpower. Describe your business below.

Purpose of this tool & output

Organise operations, field and support

How the output is used

Use it to organise operations, field and support — a security/FM org structure that keeps sites supervised and clients served.

Important cautions

AI-generated structure; adapt ratios to your sites and contracts.
