

Preventive Maintenance (PPM) Schedule

Security & Facility Management

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Generate a planned-preventive-maintenance (PPM) schedule for facility assets — tasks and frequencies per asset mapped to a monthly/annual calendar — so maintenance is systematic and auditable. Describe the assets below.

Purpose of this tool & output

A calendar for every asset

How the output is used

Use it as a calendar for every asset — a preventive maintenance (PPM) schedule that prevents breakdowns.

Important cautions
