

Security / FM Rate Card

Security & Facility Management

Document type: Plan / SOP / strategy / guide · Generated 29 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Build a rate card for security/FM services — per-category manpower bill rates and service package rates, with what is included and statutory notes — to quote quickly and transparently. Describe your services below.

Purpose of this tool & output

Clear per-manpower and service rates

How the output is used

Use it for clear per-manpower and service rates — a security/FM rate card that speeds quoting and consistency.

Important cautions

AI-generated rate card; confirm statutory minimum-wage rates for your state before quoting.
