

Security / FM Tender Response

Security & Facility Management

Document type: Plan / SOP / strategy / guide · Generated 29 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a response to a security/FM tender or RFP — technical approach, manpower and compliance credentials, transition/mobilisation, and commercial approach — to bid credibly for a contract. Describe the tender below.

Purpose of this tool & output

Bid for corporate and government contracts

How the output is used

Use it to bid for corporate and government contracts — a security/FM tender response across eligibility, technical and price.

Important cautions

AI-generated draft; verify all claims, statutory rates and prices before submission.

Companion documents
