

Current Account Opening Guide

India SMB

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Tells you exactly which documents your entity type needs to open a business current account, which account features to compare, the bank-type trade-offs and the steps. Use this to open a current account; to first choose your entity use the Business Entity Type Selector.

Purpose of this tool & output

Open the right business bank account with the correct documents

How the output is used

Use the guide to open the right business current account with the correct documents for your entity type.

Important cautions

Document lists vary by bank; confirm with the branch.
