This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Generates a professional purchase order to place an order with a supplier — numbered, itemised, with taxes, totals, delivery date and standard terms. Use this to order goods; for an ongoing supply relationship use the Vendor / Supplier Agreement Generator.

Purpose of this tool & output

Create a professional PO to place orders with suppliers

How the output is used

Use the PO to place a professional order with a supplier on clear item, quantity, rate and delivery terms.

Who receives it

You (the buyer) and the supplier; both hold the accepted PO.

Fees & charges

Usually issued under a supply agreement; GST applies on the supplier invoice.

Who should vet it

Whoever approves purchases, to confirm rate, quantity and terms before issue.

Important cautions

Confirm prices and GST with supplier before issuing.
