This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Turns a job scope into a clean, itemised client quotation ready to send, with GST handling, terms and a short WhatsApp summary. Use this to quote a client; to formally order from a supplier use the Purchase Order Generator, and to bill a completed sale use the GST Invoice Generator.

Purpose of this tool & output

Describe the job and we draft a professional client quotation

How the output is used

Use the drafted quotation to give a client a clear, professional price offer with scope, terms and validity.

Important cautions

Verify amounts and GST applicability before sending.
