Background

Draft an athlete/player agreement — for a team/club contract or athlete representation/support — covering commitments, support/compensation, conduct, image rights, and (for minors) parental involvement. Fill in the terms below.

Purpose of this tool & output

Contract athletes, teams or representation

How the output is used

Use the draft to contract athletes, teams or representation — scope, term, obligations, revenue share and exit — reviewed by a lawyer.

Who receives it

The agreement is between the academy/agency and the athlete (and guardian for a minor); each keeps a signed copy.

Fees & charges

Stamp duty per your state stamp act where applicable; the obligations, revenue-share and exit terms are the key content.

Who should vet it

A sports/contract lawyer, to check the obligations, revenue-share, minor-consent and exit clauses before signing.

Important cautions

AI-generated draft; agreements with minor athletes require parental involvement and strict fairness/safeguarding - have a lawyer review; avoid exploitative terms.
