This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a practical, phased plan to start a sports business in India — academy/coaching, facility/turf, events or retail — covering format, registrations, coaches/infrastructure, safety, and go-live, with sequence, approximate costs and timelines. Describe your plan below.

Purpose of this tool & output

Start a sports academy, facility or business

How the output is used

Use it as your first roadmap to start a sports academy, facility or business — the model, entity, registrations and setup you need before you open.

Important cautions

AI-generated plan; youth sports needs child-safety/insurance setup and safe facilities - confirm requirements locally.
