

Sports Business Capex Plan

Sports, Fitness & Recreation

Document type: Financial model / analysis · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Build a capex plan for a sports investment — facility/surface construction, floodlights, equipment, or a new venue, funding and the return case — to plan and justify the spend. Describe the investment below.

Purpose of this tool & output

Plan facility, surface and equipment investment

How the output is used

Use it to plan facility, surface and equipment investment — a capex plan with phasing and payback for each investment.

Who should vet it

Your CA, to confirm the capex estimates, utilisation and payback before you commit.

Important cautions

AI-generated plan; validate utilisation and lease terms - floodlights unlock the peak evening revenue that drives returns.
