This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a guide to affiliating a club/academy with the relevant sport federation/association (district/state/national) — why and when it matters, eligibility and process, and the benefits (recognised competitions, pathways) — to access the competitive sports ecosystem. Describe your context below.

Purpose of this tool & output

Affiliate to access competitive sport

How the output is used

Use it to affiliate and access competitive sport — the federation or association affiliation a club or academy needs to enter recognised competitions.

Who receives it

The affiliation is granted by the relevant State or National Federation/Association for the sport (often via the district association).

How to submit / file it

Apply with the club/academy details, member registrations and prescribed documents; affiliation may pass through the district-to-state-to-national tiers.

Fees & charges

An affiliation fee and periodic renewal per the federation; affiliation is usually required to enter recognised competitions.

Who should vet it

The relevant federation/association, which verifies the club and members before granting affiliation.

Important cautions

AI-generated guide; affiliation processes are sport- and body-specific - confirm with the relevant district/state/national federation.
