This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a training plan for recruiters — onboarding, sourcing, screening, closing, tools, compliance and BD skills — to shorten ramp and lift quality. Use it to develop the team. For productivity targets use the Recruiter Productivity / Desk Economics tool.

Purpose of this tool & output

Ramp and upskill recruiters fast

How the output is used

Use it to ramp and upskill recruiters fast — a recruiter training plan across sourcing, closing and compliance.

Important cautions

Closing candidates and taking good requirement intakes are the biggest productivity levers — weight training there. Structured onboarding and mentoring shorten ramp. Adapt to your niches and experience mix, and reinforce ethical, compliant recruiting practices.
