

Fair Usage Policy (FUP) Writer

Telecom, ISP & Cable

Document type: Policy · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a transparent Fair Usage Policy for your broadband plans — data thresholds, post-FUP speed, unlimited-plan norms and abuse handling — worded to be clear to customers and TRAI-consistent. Fill in your policy inputs below.

Purpose of this tool & output

A transparent data / fair-usage policy

How the output is used

Use it to publish a transparent data/fair-usage policy — thresholds, throttling and what changes after the cap.

Who receives it

All subscribers on the plan — published in the plan terms and on your website; support applies it consistently.

Important cautions

AI-generated policy; legal review advised.
