

ISP Franchise / Sub-Operator Agreement

Telecom, ISP & Cable

Document type: Contract / agreement · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft an ISP franchise / sub-operator agreement — territory and brand licence, revenue share and settlement, network and support responsibilities, KYC and compliance, quality standards, and term — to expand your broadband footprint through local partners. Fill in the deal terms below.

Purpose of this tool & output

Expand through franchise operators cleanly

How the output is used

Use the draft to expand through franchise/sub-operators cleanly — territory, revenue share, brand and termination; have a lawyer review.

Who receives it

The franchisor (you) and the franchisee/sub-operator — both sign; a copy for each party.

Fees & charges

Stamp duty per your state on the agreement; no government filing.

Who should vet it

A lawyer to align territory, revenue-share and brand terms with your licence conditions.

Important cautions

AI-generated draft; the licensee remains responsible for regulatory compliance; have it legally reviewed.

Companion documents

- Broadband Subscriber Agreement
- Interconnect / Peering Agreement
- Right of Way / Wayleave Agreement
- Equipment Supply Agreement
- Network EPC / Turnkey Contract
- Bandwidth / IP Transit Agreement

This is AI-assisted guidance. Verify with a qualified professional before any binding decision. Fees, authorities and processes vary by state and change over time — confirm with your state authority.
