

SACFA / WPC Clearance Guide

Telecom, ISP & Cable

Document type: Licence / statutory filing · Generated 29 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a guide to SACFA siting clearance and WPC spectrum licensing for wireless links or towers in India — when each is needed, the application flow, documents, and typical timelines. Fill in your context below.

Purpose of this tool & output

Get wireless siting and spectrum clearances

How the output is used

Use it to get wireless siting and spectrum clearances — SACFA siting approval and the WPC operating/licence for your frequency.

Who receives it

The Wireless Planning and Coordination (WPC) Wing and the Standing Advisory Committee on Frequency Allocation (SACFA), Ministry of Communications.

How to submit / file it

Apply on the Saral Sanchar WPC portal for SACFA siting clearance and the wireless operating licence with site coordinates, antenna, tower-height and frequency details.

Fees & charges

SACFA and WPC processing, licence and royalty/spectrum fees that vary by frequency band and use.

Who should vet it

A WPC/RF consultant familiar with SACFA clearances.

Important cautions

AI-generated guide; verify current WPC/SACFA norms on Saralsanchar.
