

TRAI / DoT Compliance Calendar

Telecom, ISP & Cable

Document type: Licence / statutory filing · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a tailored TRAI/DoT compliance calendar for your telecom or cable business — licence fee statements, subscriber and QoS reports, KYC audits, security and other periodic filings — mapped to a month-by-month schedule with owners. Fill in your context below.

Purpose of this tool & output

Never miss a telecom regulatory deadline

How the output is used

Use the calendar to map every recurring TRAI/DoT report and deadline for your licence so nothing is missed.

Who receives it

TRAI and the DoT, to whom periodic telecom reports, performance-monitoring returns and disclosures are owed.

How to submit / file it

There is no single filing; obligations are met through the periodic reports, quality-of-service returns, tariff filings and disclosures on the prescribed TRAI/DoT portals within each timeline.

Fees & charges

No fee for the calendar; individual filings and licences carry their own DoT/TRAI fees.

Who should vet it

A telecom regulatory consultant or a compliance officer familiar with current TRAI/DoT obligations.

Important cautions

AI-generated calendar; verify exact dates against current TRAI/DoT directions.
