

Fire & Building Safety Guide

Textiles, Apparel & Fashion

Document type: Licence / statutory filing · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Keep your unit fire-safe and audit-ready — the fire and building safety provisions (exits, extinguishers, alarms, evacuation, structural), the statutory fire NOC, and what buyer audits check. Fill in your details below.

Purpose of this tool & output

Keep the unit fire-safe and audit-ready

How the output is used

Use the guide to keep the unit fire-safe and audit-ready, and to obtain the Fire NOC your premises need.

Who receives it

The State/City Fire Services Department (and the building authority).

How to submit / file it

Apply with the fire-safety layout and installed systems; a provisional NOC precedes and a final NOC follows inspection.

Fees & charges

Fees vary by premises area, occupancy and state fire rules.

Who should vet it

A licensed fire-safety consultant.

Important cautions

AI-generated guide; follow fire norms and buyer safety requirements.

Companion documents

- Compliance Audit Preparation
- Social Compliance Policy Kit
- GOTS / Organic Certification Guide
- OEKO-TEX / Restricted Substances Guide
- Factory Compliance Checklist
- Dyeing & Chemical Compliance

This is AI-assisted guidance. Verify with a qualified professional before any binding decision. Fees, authorities and processes vary by state and change over time — confirm with your state authority.
