

Tech Pack Builder

Textiles, Apparel & Fashion

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a complete tech pack structure — style summary, fabric and trims, measurements (POM list with tolerances), construction details (stitch, seam, SPI), artwork and labels, and packing. Fill in your details below.

Purpose of this tool & output

A complete tech pack for production

How the output is used

Use the builder to create a complete tech pack for production so nothing is left to guesswork.

Important cautions

AI-generated tech pack structure; add graded measurements and approved samples.
