Background

Produces a structured setup plan to start a road transport business in India — entity choice, RTO registrations, permits, GST, vehicle acquisition and a launch checklist. Use it when starting out. For a bank-ready plan use the Transport Business Plan.

Purpose of this tool & output

Step-by-step plan to start a transport or fleet business in India

How the output is used

Use it as your first roadmap to start a transport or fleet business in India — the segment, vehicles, permits and capital you need before you run.

Important cautions

Verify current RTO fees and permit rules with your local RTO; consult a CA for GST/GTA.
