

Driver Document & Licence Tracker

Transport & Fleet

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Designs a driver document and licence tracker — DL class and validity, badge, medical, police verification, training and renewals with alerts — so no driver runs on an expired or wrong licence. Use it to stay compliant. For vehicles use the Vehicle Maintenance Log Designer.

Purpose of this tool & output

Never let a driver run on an expired licence

How the output is used

Use it to never let a driver run on an expired licence — a driver document and licence tracker that flags renewals in time.

Important cautions

An expired DL or fitness on the road is a serious offence; keep this current.
