Background

Designs a driver training and induction program — defensive driving, fuel-efficient driving, documentation, vehicle care, customer conduct and emergency handling — so drivers are safe and cost-efficient. Use it to onboard and upskill drivers. For rules use the Driver Safety & Conduct Policy.

Purpose of this tool & output

Train drivers on safety, fuel and conduct

How the output is used

Use it to train drivers on safety, fuel and conduct — a driver training and induction program that cuts accidents and fuel cost.

Important cautions

Practical on-road supervision matters as much as classroom training.
