This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produces a setup plan for a travel agency or tour operator in India — entity, registrations, IATA/association memberships, GST and TCS setup, tooling and a launch checklist. Use it to start a travel business. For the full plan use the Travel Business Plan.

Purpose of this tool & output

Start a travel agency or tour company in India

How the output is used

Use it as your first roadmap to start a travel agency or tour company in India — the model, accreditation, systems and first products you need before you open.

Important cautions

Verify current GST/TCS rules and accreditation criteria; consult a CA for tax setup.
