Background

Builds a compliance calendar for a travel business — GST returns, TCS filings, TDS, PF/ESI/PT, Shops Act and accreditation/insurance renewals — with frequencies and reminders, so nothing lapses. Use it to stay on top of compliance. For what applies use the Tour Operator Licensing & Compliance Overview.

Purpose of this tool & output

Every filing and renewal on one calendar

How the output is used

Use it to put every filing and renewal on one calendar — a travel business compliance calendar across GST/TCS, accreditation, forex and labour.

Important cautions

Frequencies and due dates change and vary by state; confirm with your CA. TCS filing lapses on overseas packages carry penalties.
