

Traveller Emergency Support Plan

Travel & Tourism

Document type: Plan / SOP / strategy / guide · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds an emergency-support plan for travellers abroad — lost passport, medical emergency, missed flight, theft, natural disaster — with the steps, contacts (embassy, insurer, DMC) and your operator support role, so a crisis is handled, not chaotic. Use it as an ops readiness kit. For on-tour flow use the FIT & GIT Handling SOP.

Purpose of this tool & output

Be ready when things go wrong abroad

How the output is used

Use it to be ready when things go wrong abroad — a traveller emergency support plan across medical, loss, delay and contact.

Important cautions

Pre-share embassy and insurer contacts and keep copies of documents; a calm, prepared response protects the traveller and your reputation.
