

Large Group Logistics & Movement Plan

Travel & Tourism

Document type: Plan / SOP / strategy / guide · Generated 28 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a movement and logistics plan for a large group tour or event — coordinated air/transfers, rooming lists, coach and coordinator allocation, timing buffers and communication — so hundreds move smoothly. Use it for large group operations. For group tour design use the Group (GIT) Departure Planner.

Purpose of this tool & output

Move big groups without chaos

How the output is used

Use it to move big groups without chaos — a large group logistics and movement plan across transport, timing and coordination.

Important cautions

Large groups need coordinator ratios and buffers; detailed manifests and communication prevent chaos.
