This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Writes a polished, customer-facing day-by-day itinerary with evocative descriptions, timings, experiences and practical details — from your trip outline — so your proposal reads professionally and sells. Use it to dress up a package for the client. For the package structure use the Tour Package & Itinerary Builder.

Purpose of this tool & output

Write a beautiful day-by-day itinerary

How the output is used

Use it to write a beautiful day-by-day itinerary — a detailed itinerary writer that sets clear expectations and excites the client.

Important cautions

Keep descriptions accurate to what is actually booked; over-promising creates on-tour complaints.
