This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Plans a wildlife/safari tour — park selection and season, safari permits and zone/gate booking, lodges, game-drive plan and responsible-tourism ethics — so guests get the best wildlife experience within park rules. Use it for wildlife enquiries. For adventure add-ons use the Adventure / Trekking Expedition Planner.

Purpose of this tool & output

Plan national-park and wildlife safaris

How the output is used

Use it to plan national-park and wildlife safaris — a wildlife and safari tour planner across permits, seasons and responsible viewing.

Important cautions

Safari permits are limited and must be booked well in advance; sightings are never guaranteed — set expectations and follow park/wildlife rules.
