

Revenue Yield Analyzer

Beauty, Wellness & Fitness

Document type: Financial model / analysis · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Find which services actually make you money — a per-service analysis of revenue per hour with a promote, reprice or hold verdict for each, plus mix recommendations to push high-yield services and slots. Paste your service list and the tool does the comparison. Fill in your details below.

Purpose of this tool & output

Maximise revenue per hour and per chair

How the output is used

Use the analyzer to maximise revenue per hour and per chair/station across services and staff.

Who should vet it

A salon/gym finance/operations lead, to confirm the yield inputs.

Important cautions

AI-generated analysis; based on the data you provide.
