Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produces an onboarding kit and process for water dealers or franchisees — selection, agreement basics, training, standards, stock and jar handling and support — for consistent expansion. Use it to onboard partners reliably.

Purpose of this tool & output

Onboard dealers or franchisees well

How the output is used

Use it to onboard dealers or franchisees well — a dealer and franchise onboarding kit across agreement, training and support.

Important cautions

Partner consistency and compliance protect your brand and customer safety; weak onboarding causes quality and trust failures. Formalise the agreement (have it legally reviewed) and enforce standards and, where relevant, ensure certification coverage.
