

Water Business Entity & Structure Advisor

Water, RO & Sanitation

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Recommends the legal structure for a water business — proprietorship, partnership, LLP or company — with tax, liability, funding and tender-eligibility trade-offs. Use it when registering.

Purpose of this tool & output

Choose the right legal structure

How the output is used

Use it to choose the right legal structure — a water business entity and structure advisor across ownership, licences and tax.

Important cautions

General guidance, not legal or tax advice; tender-eligibility norms vary by tendering body. Confirm with a CA or CS and the relevant tender requirements before registering.
