All tools · at-a-glance descriptions · Generated 13 Oct 2026

This is the full list of AiSevak tools in this industry, each with a short description of what it produces. Open any tool on aisevak.in to run it.

Contract Review

Contract Review & Risk Flagging

Paste any contract and get a clause-by-clause risk review from your side of the deal — unfair terms, missing protections and unusual provisions flagged by severity, each with the problematic text and a suggested redline, plus your top negotiation priorities. Use this to REVIEW a contract you have received or drafted.

Vendor / Supplier Contract Reviewer

Review a vendor or supply agreement from your side — a clause-by-clause risk analysis with each issue flagged High, Medium or Low, suggested fixes, missing protections you should add and your top negotiation points. Paste the agreement and add context below.

SaaS / Subscription Agreement Reviewer

Review a SaaS or subscription agreement from your side — flagging data-protection, SLA, auto-renewal, price-escalation, liability-cap and exit risks with suggested fixes, plus DPDPA notes and an exit-readiness read. Paste the agreement and add context below.

Loan / Facility Agreement Reviewer

Review a loan or facility agreement from the borrower side — surfacing key terms (interest, penal interest, security, personal guarantee) and flagging onerous covenants, default and cross-default triggers, prepayment and fees, with negotiation points. Paste the document and add context below.

Franchise Agreement Reviewer

Review a franchise agreement from your side — a summary of the fee structure and clause-by-clause flags on territory, term and renewal, operational control, IP, non-compete and termination, with the most one-sided red flags called out. Paste the agreement and add context below.

Shareholders / JV Agreement Reviewer

Review a shareholders or JV agreement under the Companies Act — who really controls the board and key decisions, and clause-by-clause flags on reserved matters, transfer restrictions (ROFR, tag, drag), anti-dilution, deadlock, exit and non-compete, with minority protections. Paste the agreement and add context below.

Distribution / Channel Agreement Reviewer

Review a distribution or channel agreement from your side — clause-by-clause flags on territory, exclusivity, sales targets, pricing, brand use, termination and post-term stock, plus a note on competition-law concerns. Paste the agreement and add context below.

Construction / Works Contract Reviewer

Review a construction or works contract from your side — clause-by-clause flags on scope, payment milestones, variations, delay and liquidated damages, defect liability, retention, force majeure and dispute resolution, with a payment-security read. Paste the contract and add context below.

Licensing / IP Agreement Reviewer

Review an IP licensing agreement from your side — a summary of the rights granted and their limits, plus clause-by-clause flags on exclusivity, territory and field, royalties and audit, sublicensing, improvements and ownership, term and termination, with a royalty tax note. Paste the agreement and add context below.

Clause Risk Explainer

Paste one confusing clause and get it explained in plain English — its practical effect, who it favours, whether it is standard, unusual or aggressive, a safer wording if it is one-sided, and questions to ask the counterparty. Fill in the details below.

Fallback / Counter-Clause Generator

Get tiered fallback language when a clause is too one-sided — ideal, acceptable and walk-away versions you can paste, each with the rationale that makes it defensible, plus a note on how to frame the ask. Fill in the details below.

Confidentiality & NDAs

NDA Drafting

Draft a professional, enforceable Non-Disclosure Agreement under Indian contract law — mutual or one-way — with all standard clauses (definitions, confidentiality obligations, exclusions, term, return of information, remedies, governing law), plus a plain-English explanation of the key clauses. Enter the parties and purpose below.

Non-Compete Agreement Drafter

Draft a reasonable, more-enforceable non-compete — calibrated to Indian law (post-employment non-competes are largely void under Section 27, but sale-of-business and during-employment restraints hold better) with a frank enforceability note and fallback alternatives. Fill in the details below.

Non-Solicitation Agreement Drafter

Draft a non-solicitation agreement covering customers and employees — generally more enforceable in India than a non-compete if narrowly drawn — with reasonable definitions, duration and an enforceability note. Fill in the details below.

IP Assignment Agreement

Draft an IP assignment agreement that vests work-product IP in the company — present and future assignment, consideration, moral-rights waiver, further assurance and warranties — under the Copyright and Patents Acts, with a note on where recordal helps. Fill in the details below.

Data Processing Addendum (DPA)

Draft a Data Processing Addendum aligned to India DPDPA (and GDPR where relevant) — purpose limitation, security, sub-processors, breach-notification timelines, cross-border transfer and deletion — with the key obligations spelled out. Fill in the details below.

Confidentiality Clause Generator

Get an insert-ready confidentiality clause for any contract — with a clear definition, standard carve-outs, permitted use, term and return or destruction, plus a survival note. Fill in the details below.

Mutual vs One-Way NDA Advisor

Decide which NDA type you actually need — a recommendation on one-way versus mutual with the reasoning, the key terms to insist on and the watch-outs to avoid. Fill in the details below.

NDA Counter-Draft Reviewer

Review the NDA the other side sent you — an overall fairness read, clause-by-clause flags with suggested edits and the must-fix changes before you sign. Paste their NDA and add context below.

Employee Confidentiality & IP Agreement

Draft an employee confidentiality-and-IP agreement — bundling confidentiality, invention and IP assignment, return of property and an optional non-solicit — under Indian law, with an enforceability note. Fill in the details below.

Commercial Agreements

Master Service Agreement

Draft a professional Master Service Agreement that protects you as the service provider while remaining acceptable to enterprise buyers — with the key protective clauses, a Statement of Work template to attach per engagement, and notes on common client pushbacks. Enter your services and preferences below.

Statement of Work (SOW) Generator

Draft a clear per-engagement SOW under your MSA — scope, a deliverables and milestones table with payments and timelines, acceptance criteria, and assumptions and exclusions. Fill in the details below.

Consulting Agreement Drafter

Draft an independent-consultant contract under Indian law — scope, fees, IP assignment, confidentiality, genuine independent-contractor status, TDS and termination — with a note on avoiding deemed-employment risk. Fill in the details below.

Vendor / Supply Agreement Drafter

Draft a goods-supply agreement under the Sale of Goods Act — specifications, pricing, delivery, quality and warranty, payment and credit, risk and title, penalties and termination — with a GST and e-way-bill note. Fill in the details below.

Reseller / Channel Agreement Drafter

Draft a reseller or channel-partner contract under Indian law — clarifying reseller-versus-agent status, margin, territory, targets, branding, support and termination — with a note on why reseller status limits principal liability. Fill in the details below.

SLA Schedule Generator

Draft a service-level schedule with credits — a metrics table with targets and measurement, response and resolution times, service credits and exclusions. Fill in the details below.

Purchase Order Terms Generator

Draft standard buyer-favourable terms to print on your purchase orders — acceptance, delivery, inspection, warranty, price, payment, indemnity and cancellation — with a note on the battle of forms. Fill in the details below.

Memorandum of Understanding (MoU / Lol)

Draft a mostly-non-binding MoU or letter of intent — clearly separating the binding clauses (confidentiality, exclusivity, costs) from the non-binding intent — with a caution on language that could accidentally create a contract. Fill in the details below.

Agency Agreement Drafter

Draft a sales-agency agreement under the Contract Act — defining the scope of authority, commission, territory and principal-liability limits and termination — with a note on how far the agent can bind the principal. Fill in the details below.

Employment Agreements

Employment Agreement

Draft a compliant Indian employment agreement — appointment terms, CTC breakdown, working hours, leave and notice, confidentiality, IP assignment and optional non-compete or non-solicit — with state Shops and Establishment Act notes. Enter the role and terms below.

Offer Letter Generator

Draft a pre-joining offer letter under Indian norms — role, CTC summary, joining, probation and pre-joining conditions — with a note on presenting CTC versus the detailed appointment-letter breakup. Fill in the details below.

Internship Agreement

Draft an internship agreement under Indian norms — duration, stipend, learning scope, confidentiality, IP assignment and a clear non-employment status — with a note on stipend versus minimum-wage and PF or ESI. Fill in the details below.

Consultant / Retainer Agreement

Draft a fixed-term retainer agreement under Indian law — scope, monthly fee, TDS, confidentiality, independent-contractor status and termination. Fill in the details below.

Probation Confirmation / Extension Letter

Draft the right probation-outcome letter — confirmation, extension or non-confirmation — with careful, legally aware wording and a note on what to keep on file. Fill in the details below.

Increment / Promotion Letter

Draft an increment or promotion letter stating the new role or CTC, the effective date and that other terms continue, with a note on referencing the revised CTC annexure. Fill in the details below.

Termination / Relieving Letter

Draft the right exit document — relieving letter, termination for cause, termination on notice or an experience certificate — with due-process cautions for cause and a reference to the full-and-final settlement. Fill in the details below.

Settlement / Severance Agreement

Draft a settlement or severance agreement — severance consideration, mutual release and waiver, confidentiality, non-disparagement, return of property and full-and-final settlement — with a note on severance taxability. Fill in the details below.

Gig / Freelancer Contract

Draft a per-task freelancer contract under Indian law — scope, fee and milestones, revisions, IP assignment on full payment, confidentiality and independent-contractor status — with payment-protection for the freelancer. Fill in the details below.

Privacy & Data

Privacy Policy Generator

Draft a clear, publish-ready privacy policy compliant with India Digital Personal Data Protection Act 2023 (and GDPR where relevant) — covering what data you collect, how you use and share it, user rights and a cookie section. Describe your data practices below for an accurate policy.

Cookie Policy Generator

Draft a website cookie policy aligned to DPDPA and common global practice — cookie categories with purpose and whether consent is required, plus a consent-banner recommendation. Fill in the details below.

DPDPA Compliance Checklist

Gap-check your business against the DPDPA 2023 — an area-by-area checklist (notice and consent, data-principal rights, security, breach notification, grievance officer, children data, retention, processor contracts) with what to verify and priority actions. Fill in the details below.

Data Breach Response Plan

Get a data-breach response playbook aligned to DPDPA and CERT-In — phase-by-phase actions (detect, contain, assess, notify, remediate, review) with owners, notification obligations including CERT-In 6-hour reporting, and a breach register. Fill in the details below.

DPDPA Consent Notice Generator

Draft a DPDPA-compliant consent notice — clear itemised purposes, easy withdrawal, grievance contact and a note on the right to notice in English or a Schedule-VIII language. Fill in the details below.

Data Retention Policy

Draft a data retention and deletion policy that balances DPDPA storage-limitation with Indian statutory retention (tax, company, labour) — a retention schedule per data type with period, legal basis and deletion method. Fill in the details below.

Grievance Officer / Rights Process

Set up your DPDPA data-principal rights and grievance-redressal process — how to handle access, correction, erasure, nomination and grievances with SLAs, plus a publishable grievance-officer contact block and escalation to the Data Protection Board. Fill in the details below.

Children Data / Age-Gating Policy

Draft a children-data and age-gating policy under DPDPA — verifiable parental consent for under-18s, no behavioural tracking or targeted ads, no detrimental processing — with practical age-verification options. Fill in the details below.

Cross-Border Data Transfer Assessment

Check the legality of sending personal data abroad — the DPDPA position, sectoral flags like RBI payment-data localisation, any GDPR overlap for EU users, and recommended safeguards. Fill in the details below.

Website & Platform

Terms of Service

Draft comprehensive, enforceable Terms of Service for an Indian digital product — compliant with the IT Act, Consumer Protection Act and platform rules — with the protective clauses that matter and a plain-English user summary. Describe your product below.

Refund / Cancellation Policy Generator

Draft a refund and cancellation policy compliant with the Consumer Protection (E-Commerce) Rules 2020 — cancellation terms, non-refundable items and refund timelines. Fill in the details below.

Shipping / Delivery Policy Generator

Draft a shipping and delivery policy for your online store — coverage, timelines and charges, and COD handling. Fill in the details below.

Acceptable Use Policy

Draft an Acceptable Use Policy for your platform — permitted and prohibited conduct and how you enforce it, aligned to IT Act intermediary duties. Fill in the details below.

Community Guidelines Generator

Draft community guidelines for a user-generated-content platform — acceptable and prohibited content, how users report and how you moderate, aligned to the IT Rules 2021 including grievance-officer timelines. Fill in the details below.

Disclaimer Generator

Draft the disclaimers your site or app needs — no-professional-advice, accuracy, external-links, affiliate, earnings and views-are-own — each ready to paste, with a placement tip. Fill in the details below.

EULA Generator

Draft an End User Licence Agreement under Indian law — licence grant and scope, restrictions, IP, warranty disclaimer, liability limit and termination. Fill in the details below.

Marketplace Seller Agreement

Draft a marketplace seller onboarding agreement — listing standards, commission and settlement, returns and refund liability, IP warranties and indemnity, suspension and the intermediary position — aligned to the E-Commerce Rules 2020. Fill in the details below.

Lease & Property

Lease Abstraction & Summary

Paste a lease and get it abstracted into a clean structured summary — parties, property, term, rent and escalation, deposit, critical dates with the action required, each side obligations, restrictions, termination and renewal terms, and any risky clauses. Paste the full lease below.

Residential Rent Agreement Drafter

Draft a residential rent or tenancy agreement (usually 11 months to ease registration) — rent, deposit, term, maintenance and exit terms — with a note on state-wise stamp and registration. Fill in the details below.

Commercial Lease Drafter

Draft a commercial lease for an office or shop — rent, term and lock-in, escalation, deposit, permitted use, CAM, fit-out and termination — with a note on registration and stamp duty. Fill in the details below.

Leave & Licence Agreement

Draft a leave-and-licence agreement (common in Maharashtra) worded as a licence, not a tenancy — compensation, deposit and term — with a note on mandatory e-registration and stamp. Fill in the details below.

Rent-Escalation & Renewal Clause Builder

Draft insert-ready rent-escalation and renewal clauses for a lease — with clear mechanics, caps and a worked example of rent over the term. Fill in the details below.

Security Deposit & Exit Terms

Draft security-deposit and exit clauses for a lease — deposit amount and permitted deductions, refund timeline, handover condition with a normal-wear carve-out, and how deduction disputes are handled. Fill in the details below.

Sale Deed / Agreement-to-Sell Reviewer

Review a property sale deed or agreement-to-sell for red flags — title and chain, encumbrance, payment schedule, possession, indemnity, default and registration or stamp issues — with a due-diligence to-do list. Paste the document and add context below.

Property Gift / Settlement Deed

Draft a property gift or settlement deed for a family transfer under the Transfer of Property Act — with the right recitals — and notes on concessional stamp duty for close relatives and mandatory registration. Fill in the details below.

HR Policy & Handbook

Employee Handbook Generator

Draft a comprehensive employee handbook for an Indian company — covering statutory requirements (leave, POSH, working hours, notice) plus modern workplace policies — tailored to your state, work model and any special policies. Enter your company details below.

POSH Policy & Committee Kit

Draft a POSH policy and Internal Committee setup kit under the POSH Act 2013 (mandatory at 10+ employees) — the policy, IC composition, complaint process and annual compliance. Fill in the details below.

Leave Policy Generator

Draft a leave policy blending statutory leave (state Shops and Establishments, Maternity Benefit Act) with company leave — each leave type with entitlement, carry-forward and statutory basis. Fill in the details below.

Code of Conduct Generator

Draft an employee code of conduct covering integrity, conflicts of interest, anti-bribery, confidentiality, respectful workplace and the disciplinary process, with an acknowledgement block. Fill in the details below.

WFH / Remote Policy Generator

Draft a WFH or remote-work policy covering eligibility, working hours and availability, data and device security, equipment and reimbursement, and performance. Fill in the details below.

Travel & Expense Policy

Draft a travel and expense reimbursement policy — an entitlement matrix by grade (travel class, per-diem, hotel caps), a claim process with documentation and timelines, and a GST input-credit note. Fill in the details below.

IT / Asset Usage Policy

Draft an IT and asset-usage policy covering acceptable use, security and passwords, BYOD, data handling, lawful monitoring and return of assets. Fill in the details below.

Whistleblower Policy

Draft a whistleblower and vigil-mechanism policy (mandatory for certain companies under the Companies Act and SEBI LODR) — reporting channels, confidentiality, investigation and non-retaliation. Fill in the details below.

Notices & Demand Letters

Demand Letter Drafting

Draft a firm, professional demand letter under Indian law — establishing your legal standing, stating the facts, making a specific demand with a deadline and warning of legal action — with the relevant statutory references (MSME Act, Consumer Protection Act, Contract Act). Enter the dispute and demand below.

Cheque Bounce (S.138) Notice

Draft the statutory Section 138 dishonour notice within the deadline — the full notice plus the critical deadlines (30 days to send, 15-day demand, 30-day complaint window) and documents to attach. Fill in the details below.

Legal Notice for Breach of Contract

Draft a pre-suit breach-of-contract notice — the facts, the clauses or law breached, the relief demanded and a reasonable deadline to comply. Fill in the details below.

Eviction / Rent Recovery Notice

Draft an eviction or rent-recovery notice under the applicable state tenancy law and the agreement — the grounds relied on, the notice period and the demand — with a caution that rent-control laws vary by state. Fill in the details below.

Employment Dispute Notice

Draft an employment-dispute legal notice from your side — the facts, entitlements under contract and labour law, the relief demanded and the forum if unresolved. Fill in the details below.

Consumer Complaint Notice

Draft a pre-litigation consumer notice under the Consumer Protection Act 2019 — the defect or deficiency, the relief demanded and which Commission to approach by claim value. Fill in the details below.

Defamation / Cease-and-Desist Letter

Draft a cease-and-desist or defamation notice — asserting the legal basis, demanding the conduct stop with specific undertakings and a deadline. Fill in the details below.

IP Infringement Notice

Draft an IP infringement notice for a trademark or copyright — asserting your rights, demanding cessation and account of profits, with a marketplace-takedown route. Fill in the details below.

Reply-to-Legal-Notice Drafter

Draft a point-by-point reply to a legal notice you received — rebutting the allegations, asserting your position without harmful admissions, and adding a counter-demand if you have one. Paste their notice and your side below.

MSME Recovery Notice

Draft an MSME payment-recovery notice invoking the MSMED Act 2006 delayed-payment provisions and compound interest, as a step before an MSME Samadhaan filing. Fill in the details below.

Regulatory Compliance

Regulatory Compliance Checklist

Map every regulation and filing obligation that applies to your business — company law, GST, income tax, labour law, industry licences and data protection — into an annual compliance calendar with authorities, timelines and penalties. Describe your business below.

ROC Annual Filing Calendar

Get your ROC/MCA annual filing calendar under the Companies Act 2013 — the forms (AOC-4, MGT-7A, DIR-3 KYC, DPT-3, ADT-1), their purpose, due-date pattern and late penalty, plus board and AGM timelines. Fill in the details below.

Board / AGM Resolution Drafter

Draft a compliant board or shareholder resolution under the Companies Act 2013 in standard format, with a note on whether an MGT-14 or other filing is triggered. Fill in the details below.

Statutory Register Setup Guide

Find out which statutory registers your company must maintain under the Companies Act 2013 (and key labour registers) — each with its basis and what to record. Fill in the details below.

Director KYC / DIN Compliance

Complete your DIR-3 KYC and keep your DIN active — the applicability, step-by-step process, the deadline (usually 30 September) and the consequence of missing it. Fill in the details below.

Licence & Permit Finder (Legal)

Identify every licence and registration your business needs — each with the authority, approximate cost and timeline — and the order to get them in. Fill in the details below.

Labour-Law Compliance Checklist

Map your labour-law obligations — which laws apply (Shops and Establishment or Factories Act, PF, ESI, PT, bonus, gratuity, minimum wages, contract labour, POSH), the key requirement and filing for each, plus a Labour Codes note. Fill in the details below.

FEMA / FDI Compliance Checker

Check FEMA/FDI compliance for an inbound investment — the entry route (automatic vs approval), sectoral cap and conditions, pricing guidelines, RBI reporting (FC-GPR, FLA) and whether the sector is restricted. Fill in the details below.

Statutory Audit Readiness

Prepare your company for statutory audit — an area-by-area readiness checklist (financials, statutory dues, related-party, fixed assets, compliance certificates, CARO matters) with documents and common gaps. Fill in the details below.

Compliance Calendar Generator

Get one consolidated annual compliance calendar across tax (GST, TDS, income tax), corporate (ROC) and labour (PF, ESI, PT) — each obligation with authority, frequency, due-date pattern and late penalty, plus a monthly view. Fill in the details below.

Estate & Succession

Estate Planning Framework

Get a will structure outline and estate planning guide — mapping which succession law governs each asset, whether your nominations are adequate, whether a trust is warranted, and the immediate actions to secure your estate. Describe your assets and family below.

Will Drafting Assistant

Draft a structured will for attorney review under Indian succession law — declaration, revocation of earlier wills, executor, specific bequests, residuary clause and attestation — with execution and personal-law notes. Fill in the details below.

Gift Deed Generator

Draft an inter-vivos gift deed under the Transfer of Property Act (or as a declaration for movables) — with the right recitals, acceptance, and notes on stamp, registration and tax exemption for gifts to relatives. Fill in the details below.

Trust Deed Framework

Outline a private or family trust deed under the Indian Trusts Act — settlor and settlement, trustees and powers, beneficiaries, trust property, distribution and administration — with a tax note. Fill in the details below.

Nomination Audit

Audit nominations across all your assets — flagging where they are missing, present or outdated, explaining the nominee-versus-heir distinction and the priority fixes. Fill in the details below.

Succession Certificate Guide

Understand how to claim the assets of someone who died without a will — which instrument you need (succession certificate, legal-heir certificate or letters of administration), the process, documents, and rough timeline and cost. Fill in the details below.

Power of Attorney Generator

Draft a special or general power of attorney with clearly scoped powers — plus notes on stamp and registration and, for NRIs, execution abroad with attestation. Fill in the details below.

Digital-Asset Inheritance Plan

Plan the handover of your crypto and online accounts — an inventory template, a secure access-handover method that never exposes keys in the will, the legal treatment, and how to reference digital assets in your will. Fill in the details below.

Family Law

Family Law Document Templates

Draft a working framework for a family-law document — separation agreement, parenting plan, maintenance or property division — under the correct Indian personal law, with clear [FILL IN] markers and the mandatory steps a lawyer must complete. Describe your situation below.

Mutual-Consent Divorce Guide

Understand the mutual-consent divorce process — the applicable law, the two-motion procedure with timelines, the cooling-off period, documents needed and the settlement points to agree. Fill in the details below.

Maintenance / Alimony Estimator

Understand maintenance and alimony under Indian law (Section 125, HMA, the Rajnesh v Neha guidelines) — the factors courts weigh, an indicative approach (not a fixed figure), interim versus permanent, and the asset-disclosure requirement. Fill in the details below.

Child Custody / Parenting Plan

Frame a workable custody and parenting plan (child welfare is paramount under the Guardians and Wards Act) — physical custody, visitation, holidays, decision-making, communication and support — with custody types explained. Fill in the details below.

Prenup / Postnup Framework

Outline a prenuptial or postnuptial agreement for the Indian context — asset separation, financial arrangement and disclosure — with a candid note that enforceability is uncertain in India and what makes it more persuasive. Fill in the details below.

Property Division Worksheet

Organise marital assets for a fair-split discussion — a schedule of each asset with legal owner, contribution and suggested treatment — with a note that India has no automatic 50-50 and that streedhan belongs to the wife. Fill in the details below.

Domestic-Violence Relief Guide

Understand your protection under the PWDV Act 2005 — the reliefs available (protection, residence, monetary, custody), how to approach the process, support resources and helplines. If you are in immediate danger, call 112 or 181 now. Fill in the details below.

Guardianship Petition Guide

Understand the guardianship petition process under the Guardians and Wards Act for a minor or incapacitated person — the court, step-by-step process, documents and the welfare test. Fill in the details below.

Dispute Resolution

Alternative Dispute Resolution Guide

Get a reasoned recommendation on the right dispute-resolution route — negotiation, mediation, conciliation, arbitration, consumer forum or court — with a timeline, cost estimate, process steps and a draft submission brief. Describe your dispute below.

Arbitration Clause Drafter

Draft an insert-ready arbitration clause under the Arbitration and Conciliation Act 1996 — specifying number of arbitrators, seat and venue, language, rules and governing law — with the key choices explained. Fill in the details below.

Statement of Claim Drafter

Draft a civil-suit or arbitration statement of claim — title, parties, jurisdiction, facts, cause of action, limitation and the prayer for relief — with the documents to annex. Fill in the details below.

Written Statement / Reply Drafter

Draft a written statement or defence — para-wise admissions and denials, preliminary objections and any counter-claim or set-off — under Indian civil procedure, with a note on the filing timeline. Fill in the details below.

Settlement / Compromise Agreement Drafter

Draft a settlement or compromise agreement to close a dispute — terms, payment schedule, mutual release, confidentiality and withdrawal of proceedings — with a note on consent terms for a pending case. Fill in the details below.

Mediation Brief Builder

Build a mediation brief that frames interests, not just positions — background, your interests, the other side likely interests, settlement options and proposed terms — plus a BATNA note and a constructive opening approach. Fill in the details below.

Consumer Forum Complaint Builder

Build a Consumer Commission complaint under the Consumer Protection Act 2019 — parties, jurisdiction and pecuniary limit, facts, the deficiency or unfair practice, relief and prayer — with the documents to annex. Fill in the details below.

Litigation Cost / Timeline Estimator

Get a realistic estimate of a dispute cost and duration across forums — a timeline range, cost components (court fee, advocate, expert), an indicative total and cheaper alternatives. Fill in the details below.

Court Filing

Court Case Status & E-Filing Guide

Get step-by-step guidance for a court task — checking case status on eCourts India or e-filing a case, reply, appeal or application — with the documents needed, fees, timeline and the exact portals to use. Describe your court and filing below.

Cause-Title / Memo of Parties Generator

Generate a correctly-formatted cause title and memo of parties for a court filing — the case heading and a full party-details block — with court-specific formatting notes. Fill in the details below.

Affidavit Generator

Draft an affidavit with proper deponent details, numbered paragraphs, a verification clause and an oath block — with a note on stamp value and notarisation. Fill in the details below.

Vakalatnama Generator

Draft a vakalatnama authorising an advocate to appear in a court matter, with the standard authorities and an execution note. Fill in the details below.

Bail Application Outline

Structure a bail application (regular or anticipatory) under Indian criminal law (BNSS/CrPC) — parties, offence, stage, grounds, undertakings and prayer — as a structural aid, not case-specific legal advice. Fill in the details below.

Interim Application Drafter

Draft an interim application for a temporary injunction or stay (Order XXXIX CPC) built around the three-fold test — prima facie case, balance of convenience and irreparable injury — with a supporting-affidavit note. Fill in the details below.

Cause-List / Hearing Tracker Guide

Learn how to track your case status, next hearing and cause list on the eCourts Services portal and app — methods, the portals to use and practical tips. Fill in the details below.

IP & Trademark

IP & Trademark Status Tracker

Get guidance on the IP India registry — how to check status for a trademark, patent, design, copyright or GI, interpret the status codes, file a new application, respond to an examination report, or file internationally. Describe your IP query below.

Trademark Class Finder

Map your goods and services to the correct Nice Classification classes for trademark filing — the classes with what they cover and your items, whether you need multiple classes, and a specification tip. Fill in the details below.

Trademark Search Strategy

Plan a pre-filing trademark conflict search across the IP India registry and common-law sources — where to search, phonetic and visual variants to try, and the risk factors to weigh before you file. Fill in the details below.

TM Examination Reply Drafter

Draft a reply to a trademark examination report under the Trade Marks Act — addressing Section 9 (absolute) and Section 11 (relative) grounds with arguments and evidence — with a note on the 30-day deadline. Fill in the details below.

Copyright Registration Guide

Get a guide to registering a work with the Copyright Office — the work category, the step-by-step process and forms, documents needed, and the author-versus-owner rules. Fill in the details below.

Patent Provisional Spec Outline

Structure a provisional patent specification for Indian filing — title, field, background and problem, summary, description and advantages — with a novelty caution and the next steps to a complete specification. Fill in the details below.

Design Registration Guide

Get a guide to registering an industrial design under the Designs Act 2000 — eligibility, the Locarno class, the process and forms, and the term — to protect a product visual appearance. Fill in the details below.

IP Licensing / Assignment Drafter

Draft an IP licensing or assignment agreement under Indian law — grant and scope, royalty or consideration, quality control, term and recordal — with tax and registry-recordal notes. Fill in the details below.

TM Opposition / Rectification Guide

Get a guide to trademark opposition (against a published mark) or rectification and cancellation (against a registered mark) — the remedy, grounds, process and evidence needed. Fill in the details below.

Compliance Gap

Compliance Gap Assessment

Assess your current controls against a chosen regulatory framework (DPDPA, GST, Companies Act, RBI, SEBI, ISO 27001, SOC 2 and more), scoring each gap by severity and returning a phased remediation roadmap with quick wins. Describe your current practices below.

DPDPA Readiness Audit

Run a deep DPDPA readiness gap audit — a maturity score, a status and priority for each control area (notice and consent, rights, security, breach, grievance officer, children data, retention, processor contracts, governance) and the top-5 remediations. Fill in the details below.

ISO 27001 Gap Audit

Run an ISO/IEC 27001 (Annex A) gap assessment — a readiness percentage, domain-wise gaps with priority, the missing artifacts (ISMS scope, risk assessment, SoA, policies) and a path to certification. Fill in the details below.

SOC 2 Readiness Audit

Assess SOC 2 readiness against the Trust Services Criteria — a scope recommendation, gaps and evidence needed per criterion, and the Type I versus Type II difference and timeline. Fill in the details below.

POSH Act Legal Compliance Audit

Audit your POSH Act 2013 compliance — a status and action for each requirement (policy, IC constitution, external member, training, annual report, display) with penalty exposure and priority fixes. Fill in the details below.

Labour-Law Compliance Audit

Audit your labour-law compliance — a status and risk for each law (registrations, PF/ESI/PT, minimum wages, registers and returns, contract labour, POSH, Shops & Establishment or Factories Act) with priority fixes and a Labour Codes note. Fill in the details below.

AML / KYC Policy Audit

Audit your AML/KYC controls against the PMLA and RBI regulator directions — control gaps across CDD, risk categorisation, monitoring, STR/CTR reporting and record-keeping — with your reporting-entity status and FIU-IND obligations. Fill in the details below.

Compliance Remediation Roadmap

Turn your audit gaps into a prioritised, time-bound remediation roadmap — each gap with an action, priority, effort, owner hint and target window — plus quick wins and the sequencing rationale. Fill in the details below.

Legal Translation

Legal Translation Summary

Paste a foreign-language legal document and get a clear English working summary — key terms, your obligations, the counterparty obligations, deadlines and risk flags — so you understand what you are dealing with before commissioning a certified translation. Paste the document below.

Contract Bilingual Summary

Get a side-by-side key-term summary of a foreign-language contract — parties, term, payment, liability, termination and governing law, with the original gist and a translated summary, plus red flags. This is a working summary, not a certified translation. Paste the contract below.

Regional-Language Document Explainer

Understand a Hindi or regional-language document in clear English — the gist, the key points on who must do what, and any deadlines or actions. Paste the document below.

Legal Term Glossary Builder

Get a plain-language glossary for a legal document — each legal term and Latin phrase explained simply and in the way it is used in your document, tailored to Indian legal usage. Paste the document below.

Notice / Order Translation Summary

Decode a government notice or court order into plain English — what it is, the issuing authority, what it requires, the deadline and the consequence of ignoring it. Paste the notice or order below.

Affidavit / Deed Translation Summary

Summarise a deed or affidavit in another language — capturing the parties, subject matter, key covenants and obligations, and a plain summary. A working summary, not a certified translation. Paste the document below.

Paralegal Productivity

Paralegal Task Procedure

Turn a legal task or case type into a step-by-step procedure for your team — with roles, a document checklist, statutory deadlines and their consequences, filing requirements and common mistakes to avoid. Describe the task and its status below.

Case Brief / Headnote Generator

Summarise a judgment into a usable case brief — facts, issues, holding, ratio decidendi, obiter and key paragraph references. Paste the judgment below.

Document Index / Paperbook Builder

Organise case documents into an indexed paperbook — a chronological index with serial, description, date and page-reference columns, a chronology of key events and organisation tips. Fill in the details below.

Due-Diligence Checklist Builder

Build a legal due-diligence checklist for a transaction — category by category (corporate, contracts, litigation, IP, employment, property, regulatory, tax, data) with documents to request and red flags to watch. Fill in the details below.

Legal Research Question Framer

Turn a vague issue into a structured research plan — precise sub-questions, likely applicable statutes, database search terms and the sources to check. It frames the research; it does not give a conclusion. Fill in the details below.

Client Intake Form Generator

Generate a matter-specific client intake form for a law practice — sections for client details, matter facts, key dates, documents, opposite party, conflict check and fee and scope — plus documents to collect. Fill in the details below.

Billing / Time-Entry Narrative Helper

Draft clear, client-acceptable time-entry narratives that are specific and non-vague — each with a billable description, suggested time and an optional task code — plus tips to avoid block-billing. Fill in the details below.

This is AI-assisted guidance. Verify with a qualified professional before any binding decision. Fees, authorities and processes vary by state and change over time — confirm with your state authority.
